

Talking Points

These are some helpful talking points for you to use.

I have been introduced by a friend to something that is working wonder for me and giving me the added boost that I need in the day. Do you have a minute?

It is the “Feel Good Healthy Energy Drink” that is making the difference. Did you realize that Americans drink 70 million energy drinks a day and they expect that by the year 2012 American will drink more than 100 million energy drinks per day.

Unlike buying it from a convenient store, market or other service arena’s, I buy it wholesale through my free business.

Here are some other points of interest
